The calculations should include provision for local taxes, VAT and profit margin and a reasonable rate of return. ### **i). Technical Bids**

- a. In the first stage, only the envelopes i and ii, containing the Bid Security Deposit and the Technical Bid, along with the prescribed Annexures, will be opened on the appointed date and time (May 18, 2016 at 1200 hrs ) in presence of the bidding companies (one representative each) and members of Mission's/Post's Outsourcing Committee and shown as a token of receipt of the documents in time. The sealed envelope containing the Financial Bid will be shown to the members present, but will not be opened at this stage.

- c. The representatives of the Bidding Companies will sign a statement as per proforma prescribed by the Mission as a token of confirmation of the documents having been received in the Mission in time. Tender documents received after the scheduled time will not be considered.
- d. The Technical Bids will be examined and evaluated by the Outsourcing Committee subsequently in the Chancery on the basis of responses to the RFP. Technical Bids which do not fulfil the mandatory criteria as per Annexure D will be disqualified. Incomplete responses by the Bidding Company to the details requested would lead to rejection of the Technical Bid as unresponsive. Bidding companies which do not obtain 70% marks (this figure can be altered by Mission/Posts depending on local requirements) in the evaluation as per Annexure E will not be considered for qualification to the Financial Bid stage.
- e. Consideration of the technical bids by the Outsourcing Committee of the Mission/Post may take up to 2 to 3 weeks.

ii) Financial Bids

- a. The Financial Bid(s) of the Bidding Company(s) disqualified in the Technical Bid stage will not be opened for financial Bid evaluation. The Financial Bid in sealed condition will be returned to the Bidding Company, unless deemed by the Mission/Posts as required for investigation purposes. The Bidding Companies which did not qualify in the Technical Bid stage will be informed of the reasons for their disqualification by email. The Bid Security Deposit will be returned not later than seven working days from the date of information of the disqualification.
- b. Before the opening of the Financial Bids, the marks obtained by the various bidders in the Technical Bid stage will be communicated by email.
- c. Bidding companies, which have qualified in the Technical Bid stage, will be informed by email to be present on the date and time fixed by the Mission/Posts and the financial bids will be opened in their presence along with members of the Outsourcing Committee.
- d. The financial bid for Service Fee in three components, namely, basic services, biometric enrolment of ten-finger print, enrolment of facial biometrics along with prices for VAS will be opened on the same day. The prices quoted for Service Fee by L1, L2 and so on, will be announced along with the details of Total Expenditure and Total Receipts quoted by the respective Bidding Companies. (Copy of the Costing Sheet of the Bidding Company will not be provided to others as it is deemed commercially confidential).
- e. Thereafter, the Financial Bid (Annexure C) will be evaluated by the Outsourcing Committee in the Mission in regard to the viability of the Service Fee for the Service Provider to be able to provide services of the desired quality. The Financial Bids which are found to be unviable are liable to be rejected as unresponsive. Of the remaining Financial Bids which are found to be viable, the lowest evaluated Bidder will be decided on the basis of the number arrived at as per the following formula:  
  
$$(\text{Service Fee offered} \times 0.8) + (\text{VAS charges offered} \times 0.2)$$
  
(this ratio weightage may be varied by the Mission/Posts if required).  
  
The value of VAS is the sum of VAS prices offered by the Service provider for the Value Added Services in the approved list.
- f. The above decision will be conveyed only in the meeting of the representatives of the Bidding Companies which have qualified for the Financial Bid stage. The date and time of the Meeting will be intimated by Mission by email. (The results of the Financial Bid will not be intimated by email at this stage).

- g. During the Meeting, the names of the Companies rejected for lack of viability and the names of the Companies who have qualified in the Financial Bid stage will be announced. The weightage value of Service Fee of all the qualified Companies will be announced and L1 will be selected accordingly. In the case of a tie, where more than one company has quoted the same evaluated lowest price, the Bidding Company graded higher in the evaluation of Technical Bids will be declared L1. In the event of a tie in this procedure as well, the company which has quoted lower in Service Fee would be declared L1. Accordingly L1 will be declared in the Meeting and the announcement for award of contract will be made.
- h. The weightage value of the Service Fee is only for the purpose of determination of L1. The Service Fee for the purpose of operations will be as per the price offered by the bidding Company.
- i. In the case of Countries where the Ministry decides there will be two Service Providers operating simultaneously, both L1 and L2 will be asked to operate at the L1 price.
- j. The award of Contract to the winning company will also be informed by email to all the qualifying Companies in the Financial Bid stage.
- k. The Bid Security Deposit will be returned to the unsuccessful Bidding Companies within 15 days of the final award of Contract. However in the case of the company which has been awarded the Contract, the same will be returned only after submission of the requisite bank guarantees and signing of the Agreement.
